**ADDENDUM NUMBER 1**  
**MHSA Housing Program Expression of Interest**

On January 13, 2014, the Los Angeles County Department of Mental Health (DMH) released an Expression of Interest to solicit Letters of Interest from qualified developers/borrowers as defined in the Mental Health Services Act (MHSA) Housing Program guidelines to develop permanent, affordable rental-housing units, including shared housing, with supportive services for homeless individuals with mental illness and/or their families. The notice indicated \$7 million was available for capital development and capitalized operating subsidies. It also indicated that first priority will be given to projects located in Service Areas 1, 3, 6, 7 and 8.

This addendum is to provide notification of the availability of additional funding---Third Supervisorial District (SD 3) homeless services funding. Only projects in SD 3 will be considered for this particular funding. This particular funding is targeted for projects in SD 3 and is anticipated to be a minimum of \$500,000 which could be increased dependent on the number of submitted Letters of Interest. Because of this change, the time to submit Letters of Interest to be considered at the February 6, 2014 MHSA Housing Advisory Board Meeting has been extended to Friday, January 31, 2014.

Except for this revision, there are no other revisions to the Expression of Interest. All other terms and conditions to the Expression of Interest remain the same.
